Dear Mr. Schmutz:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely,

Joseph B. Quick  
Scout Executive

CONF000272

DYKES\_I\_000270

Bob Dixon, our Scoutmaster, left to go see another Scoutmaster. He left David of Troop 209 in charge of us. After awhile we started talking around the campfire. David told us a story about the time his friends bet that he couldn't go around the house nude the whole weekend. The boys told his mother about it and said the winner would spend the night with her and the loser does the same with the father. He then asked us what we would do if someone offered to give us a blow-job. After I went to bed David started to rub my back and then he began rubbing my legs up to my crotch. When Bob Dixon came back, David stopped, zipped up my sleeping bag. After David thought everybody was asleep he started the rubbing again. I think he may have sucked on my fingers because I felt his beard and mustache on my hands and my fingers were wet when I came fully awake. David put his hand on my penis and started squeezing it which woke me up completely because it scared me. I yelled for Bob Dixon and told him what happened. David acted like nothing had happened. However, as David left I heard him say "I'm so sorry [REDACTED]" very softly.
