Confidential Report

Camp Manatoc July 29, 1972

Saturday Morning July 29th, 1972 Carl Fowls, Health director was alerted by [REDACTED] age 12 that he had been involved in a sexual act by an adult. The adult was Kenneth Shumway, adviser to the OA Cermony team. While the Friday night ceremonies were going on at Manatoc, Mr Shumway and [REDACTED] went to the OA lodge building to make ice cream for the rest of the team.

While there Mr Shumway did the following:

1. Attempted to hypnotize [REDACTED] (he was unsuccessful, as the boy went along the act.)
2. After supposedly hypnotizing [REDACTED], Kenneth Shumway asked him to lie down on his bed, [REDACTED] did so, not suspecting any thing.
3. Mr Shumway then sat on [REDACTED] legs so he could not get away. He proceeded to pull [REDACTED] outer trousers and his underwear down to his knees.
4. Mr. Shumway then started to masturbate the boy by hand and after a period of time stimulated the boy orally.
5. After a period of time Mr. Shumway ceased the above actions and pulled the boy's trousers up and redressed him.
6. He then told [REDACTED] that he was going to wake up now and that he would not remember anything that had happened [REDACTED] also would fall asleep again if Mr Shumway mentioned a clue word. (This was tried, but since [REDACTED] had never been hypnotized, it did not work.)

This story was related to John Thompson, Asst. Camp Director, Tom Huber Chaplain, And David Macy Reservation Director.

7. As an added point, Mr Shumway admitted to [REDACTED] that Shumway was the person that had gotten into [REDACTED] sleeping bag and pulled his underwear down two weeks before [REDACTED] had not reported this incident, but remembers it well.

David E. Macy Reservation Director, made the confrontation of Mr. Shumway on Saturday PM. Bruce Burroughs-Butler Ranger was present.

Kenneth Shumway admitted that the actions described above had happened and that he had done them.

CONF004167

DYKES_I_004136

Mr. Shumway was asked to leave camp at that time and that he would be contacted. It was suggested that he seek professional guidance for his problem. He will not be active in Scouting or his troop any longer.

A follow-up will be made by the Great Trail Council to ascertain that Mr. Shumway is undergoing treatment.

In all instances of reference, all persons names are to be confidential to protect the innocent and the good name of Scouting.
