1335 U. S. 19, South Apartment K-15
Clearwater, Florida 33516

I guess I had better begin this by saying that my feelings for you have not changed. If I could, I'd spend all the time I could with you. When you take time to think about how you relate to me, you are one of the greatest friends ever.

I admit that the way I feel about you isn't quite what most people accept as normal, and that it makes you uncomfortable, but I'm afraid I can't change that. You are the only person I know who even acts like I am important to them, and I need that.

[redacted], I have just spent another lonely weekend sitting around the apartment. I almost didn't make it, but, since I'm a coward, I did. Your usual comment here is "You've got to try". Well, I have been - weekend after weekend. Everyone else is just like you - you have plans for the weekend

CONF009602

DYKES_I_007469

And the - plans do not fit with me
around.

Silly, the only time I get to see you
is to work on something, in many cases,
I wind up doing your work while you find
out something else to do. You know I
want to do things for you, but I can't
stand being taken for granted. I have to
have more than a simple thank-you, although
I appreciate it. I need to do something
with you socially on occasion. It doesn't
have to be much, but it is important that
I be able to feel that I am a friend, not
just someone to do your work.

I am disappointed at all of you and
at myself after the language. I am disappointed
at you because that didn't even say thank
you for the work I put into your language,
or, for that matter, all year. I am disappointed
in myself for being so selfish that it matters.
I guess you probably did me a favor. ~~I~~
I was reminded that all I am is a paid
hand, and I am supposed to be happy
with that.

By now, you're probably mad again.
I know we agreed that I wasn't supposed

CONF009603

DYKES_I_007470

to bother me with no problems any more, but
I'm afraid a certain kind of flight or escape,
anyway, leads to that kind of flight to
the person I cast to them, and then no
aligner.

It don't make all this stuff up as I
have been accused of doing it twice. You
used to seem to enjoy my getting an arm
around you occasionally, or odd. But
now you just avoid and act too cool
toward me. You never come over any
more just to see me. The only thing you
come over is to get something done on your
area work. It's not that you don't have
time; you have time to sell bonds or whatever,
when you do come over, you seem to always
"have to get home early". You have said
some pretty cruel things each the last
several weeks and months. You have also
said some very kind and heartwarming
things. Even when it's the truth, it hurts.
I've tried to do what you want, but I
guess I'm not very good at it.

There's a saying that goes "if
you lose something, let it go. If it
comes back to you, it's yours forever.
If it doesn't, it never was." I
bet you see after you told me what
you really thought. You didn't come
back. I'm sorry!

PERSONAL AND CONFIDENTIAL

Dear Grant:

You recently sent some material to the Regional Office concerning Roy Kenneth Pace, who was an Exploring Executive with you. This material was sent to us so that we could evaluate it related to placing Mr. Pace on the confidential file.

It would be very helpful to us to have some information concerning this whole matter. We would like to know if there were any sexual relations with [REDACTED]. If so, a statement from either [REDACTED] or his parents would be very helpful. It would also be helpful to know if any charges were placed against Mr. Pace.

When reviewing these situations with our attorney, he requires that I have some fairly strong documentation in order to refuse registration wherever an individual may move in the country. I can understand your justification for his termination of employment, but I do need more information in order to be able to substantiate the refusal of registration as a volunteer.

We are also enclosing a confidential record sheet which I would appreciate your filling out as completely as possible, in order that we may easily identify Mr. Pace at a future date.

Sincerely,

Paul I. Ernst, Director
