Re: John R. Ulvildsen,  
Leon Barton.

Dear Ross:

I am enclosing a copy of a letter written to the Scout Executive in Newport News. If your scouter friend could give us a statement telling why they were suspicious of Mr. Barton it might be helpful.

The confidential record sheet you requested for Mr. Ulvildsen is enclosed. We will appreciate the additional information from the police department.

We have deleted his name from the unit record.

Best Regards,

Mr. Basil Starkey  
Director, Registration Division  
NATIONAL COUNCIL, BOY SCOUTS OF AMERICA  
New Brunswick, N. J.

Dear Basil:

Here we go again, we are certainly having more than our share of problems regarding such matters. As soon as I receive the information from the Police Department I will forward it to you. In the meantime, please send me another copy of the Form that I need to fill out for you.

Mr. Ulvilden has been registered as a Scout Master of Troop 167 in our Council. From the information we have at the present time his problem has been with other and older boys than those in Scouting. Fortunately, the publicity in the paper indicated that he was a school teacher but so far has never mentioned the fact that he has been in Scouting as a leader.

Best wishes.

Sincerely,

BOY SCOUTS OF AMERICA

Mr. Walter Petersen

Anaheim, California

Dear Mr. Petersen:

I am writing you regarding the situation of Mr. John R. Ulvilden. I am sure you are aware of the fact that he has been arrested for immoral conduct but I thought it best to inform you that we have taken steps to have National Council place Mr. Ulvilden on the Confidential File List to make sure that he shall not be registered with the Boy Scouts of America in any capacity again. It's my understanding that he has admitted his guilt, and therefore, there is no question in this regard.

We advise you to immediately inform him that he can no longer continue his activities in Scouting and suggest that you secure all of the Troop files and other Troop equipment that he may have in his possession.

It's indeed too bad that this has happened but it is fortunate that it has not come to light through his direct connection with Scouting. I hope that as the case unfolds we do not find that his Scout's have been involved in the matter. If you have questions you would like to ask or information you would like to give us I would be happy to discuss the matter personally at your convenience.

Sincerely,

BOY SCOUTS OF AMERICA
