PERSONAL AND CONFIDENTIAL

Dear Carlos:

Thank you for your information concerning Mr. Frederick Maitland. This will be very helpful to us in order to build our file for the future.

The dismissal of the case certainly weakens any position we would take in refusing registration. We do feel, however, that the facts at hand make Mr. Maitland a rather undesirable registrant at the present time.

I have a copy of the newspaper clipping but since there was a dismissal an arrest record is not a great deal of value.

I am enclosing a Confidential Record Sheet which I would like to have completed. I do believe we can at least notify any Scout Executive if Mr. Maitland tries to register. Refusal would be very difficult in another council after a period of time has passed. The notification of the Executive would at least keep him on the alert in case any situation would arise which would seem to be out of line.

Let me know if there is anything else we can do for you at this time.

Sincerely,

Paul I. Ernst, Director

Dear Paul:

As per your request, enclosed, please find copies of the information that I have on Mr. Frederick Maitland:

1. Letter from committee chairman, [REDACTED] RE: Mr. Maitland's resignation.
2. Notification of court case dismissal from Steve M. Wise, Mr. Maitland's lawyer.

I assume you have a copy of the newspaper clipping. Mr. Maitland's resignation came as a result of a meeting with Troop committee chairman, Mr. [REDACTED], Mr. Maitland and myself, November 12, 1981. The meeting and resignation was on his own initiative. However, I asked for a formal letter to document the action.

Based on my own investigation, I don't have any information or probable cause to recommend refusal of his registration at this time. However, due to the circumstances, we have a commitment from him for a none registered Scouter status.

If we have any change, I will inform you.

Sincerely,

Carlos M. Santiago,

PERSONAL AND CONFIDENTIAL

Dear Carlos:

We recently received a copy of a newspaper clipping concerning Frederick Maitland. This indicated that he was charged with some sexual acts.

I would like more information on this so we can determine if we should refuse registration in the future in case he would try to register with the Boy Scouts of America. Apparently he was registered with Troop 51 as Scoutmaster.

If you could give me more information concerning this matter and also let me know the outcome of the trial when it takes place, this will help us in setting up a file to determine our future course of action.

I am sending a Confidential Record Sheet which we would like to have completed, if you feel registration should be refused, so that we can identify Mr. Maitland in the future.

Please call or write to me if you have any questions.

Attention: Mr. Carlos Santiago
GLC Council Executive

Dear Mr. Santiago:

This is to inform you that during our last committee meeting on 11/8/81, we were presented with the resignation of Mr. Fred Maitland. Unfortunately, Mr. Maitland must drop out of the Scouting Program effective immediately due to personal reasons.

As you know, Mr. Maitland has been involved with Scouting for several years during which time he has made significant contributions at both the Troop and Council levels. It is with much regret that the committee of Troop 51 accepts his resignation.

In the interim, and until such time that a replacement is found for Mr. Maitland, Mr. Larry Boucher, presently a committeeman, will assume the responsibility of Scoutmaster.

A Registration Form, reflecting this change, has been presented to our Institutional Representative for approval. Same will be forwarded to your attention as soon as it becomes available.

Very truly yours,

Committee Chairman
