Dear David:

Thank you for your note of June 19 concerning David W. Pugh. It is correct that the national office has settled with the family of the youth member, who was assaulted by Mr. Pugh.

We still need information concerning any trial or sentencing which has taken place. Mr. Fieszal does not have this in his file and would ask that you send us a statement of these facts (a newspaper clipping or a copy of any court records which are available). We urgently need this information if we are to maintain a file which will allow refusal of registration where Mr. Pugh may happen to locate.

Thanks for your help in this matter.

Dear David:

This is just a follow up concerning the above named individual. Periodically, we scan our files to see if there are any open items, and since we had not yet received a final disposition in this case, we are contacting you.

If anything further develops, we would like to have this for our files. Sentencing would certainly be most helpful in refusing registration at a later date.

To the best of our knowledge a trial has not taken place.

Our information is that when Mr. Pugh was released on parole he voluntarily admitted himself to the Binghamton Psychiatric Center. We assume he is still there.

We were contacted by an attorney and the matter was turned over to ESIS, Inc.

I will keep you informed of any further developments.

Dear Paul:

On October 25, 1983, we suspended the registration of David W. Pugh. The decision was based on the fact of Mr. Pugh being charged with second-degree sodomy. A copy of the newspaper article of 10/27/83 is enclosed.

Because Mr. Pugh was incarcerated at the Broome County Jail, without bail, the suspension letter was mailed to him by certified mail with a return receipt requested. We received the receipt on November 14, 1983. To date we have not received a request to have the decision reviewed.

If you have any further questions, please don't hesitate to call.

Dear Mr. Pugh:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that Boy Scouts of America leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America leader should be granted or reinstated.

Sincerely,

Robert P. Bihr
