I was on an overnight with the ranger program, and was sick so they were going to walk me in but Jim Kennedy showed up for no apparent reason except to check on us out there. So me and [redacted] received a ride in with him. The doctor told me not to go back so Jim Kennedy said I could sleep in his air conditioned cabin so I said all right. I went to sleep about 7:00 pm.

About (2:30 approx) I woke up as Jim Kennedy had his mouth over ^{my} testicles sucking, it was past the point of stopping him. I did not do anything because it was just him and me up on chapel hill and did not know how to react. After the climax he went into the bathroom did something I do not know what. Then while going back to bed he kissed me on the shoulder and said good night. There is no way he could have known I was up it was so dark as it was I could not see the air conditioner less than 2 feet away from me. I was on the top bunk he was standing during the ordeal. This is a true statement so help me god.

That was in hotel in [redacted]

Dear Jim:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claims that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Dan H. Wheatcroft
Scout Executive

Dear Dan:

Thank you for discussing my situation in such a caring manner.

It would appear that no immediate change will be made in my involvement with Catholic youth programs. Since I will not be involved in Boy Scout functions another person should be named to replace me on the Advisory Board. I suggest the newly appointed Chaplain, Bill Markey. I gave Harvey Bill's address on Friday.

I also want to clarify restrictions placed on my visiting Bartle. It is my intent to accompany a work crew in May to help get the Chapel and Chaplain's Cabin ready for the summer. I will also be present for the opening Mass on Tribal Feast week-end. After that I will be present at Bartle only to visit Tim or to attend Mass on Sunday mornings. My visit with Tim would include attending Mic-O-Say ceremonials where he is participating. It is my understanding from our conversation that this involvement does not go beyond your expectations. I certainly do not want any confrontation about my presence at Bartle.

I will continue to "sleep on" my options and will let you know as soon as one is chosen.

Sincerely,

James A. Kennedy, Chairman

Dear Paul:

James A. Kennedy is currently the County Director of Family Services for the State of Missouri in Saline County, Missouri.

We do not have him in a registered capacity in this council, however, the Great Rivers Council out of Columbia, Missouri should probably be alerted that he could attempt to become active and register in Scouting in that council. I think we should keep him on a probationary status at least one more year. According to the phone book he still is a resident of Kansas City, Missouri. Should I learn anything further, I will let you know.

Sincerely,

Dan H. Wheatcroft

Re: James A. Kennedy

Dear Paul:

I had an opportunity to talk to James A. Kennedy at the National Catholic Scouters Conference in Kansas City this week and find that he and his family currently live in Arrowrock, Missouri, and he is still working for the County Family Services for the State of Missouri in Saline County.

I believe that this activity (the National Catholic Scouters Conference) served as his final contact with Scouting through the church. I believe that we should continue him on a probationary status with the idea that it is his prerogative to ask to be reinstated, and as of this date he has not requested that. I do think that perhaps, Paul, an inquiry to the council in Columbia, Missouri might be in order to see if he has attempted to be registered, even though our national file should have caught it.

Please consider this an official request to keep James A. Kennedy on probation for at least one more year.

Sincerely,

Dan H. Wheatcroft
