Dear Ross:

In 1985 we received a Confidential Record Sheet concerning the above-named individual. We also received a copy of a letter which had been sent to Mr. Stafford suspending his registration.

By now we would certainly think that any legal action would have been completed and that the final disposition would be a conviction or an acquittal. If a conviction occurred, we certainly would like to have the sentencing to complete our file.

We have all the other information which we need except for this information. The case number is 85-2-2652. A newspaper clipping or a copy of the court action will suffice.

Let us know if we may be of help to you.

Sincerely,

Paul Ernst, Director

Dear Ross:

In April of this year, we had communication concerning the above named individual. It had earlier been indicated to us that this individual was confined to the county jail because of some sexual assaults on children.

We would like to have the outcome of any legal action so we may close this case. This will give us enough information to refuse registration should an attempt come from anywhere in the country. It would also help to protect the youth of America. Thanks for your help.

Dear John:

Thank you for the information concerning Ernest Allan Stafford. The Confidential Record Sheet is quite complete and will be most helpful in recognizing Mr. Stafford, should he try to register.

I would like some more information concerning this case and also the outcome of the legal action. I am sure you will keep me informed as more information becomes available.

We would like to know what these charges result from. Were these charges related to a Scout or were they a situation of incest? If you can give us any information concerning this it would help to strengthen our file.

If there have been any newspaper clippings or other information of this type we would also like copies of these. Thanks again, John, for your help.

Dear Mr. Stafford:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be reinstated.

Sincerely yours,
