Re: Gene Hallquist
Cubmaster, Pack 412

Dear Mr. Miller:

Thank you for the confidential record sheet concerning Mr. Hallquist. We have placed this information in our file and have taken steps to have his name deleted from our records.

We do, however, need more substantiating information that will support our placing this man on the Confidential File. Please send us a more detailed letter concerning the facts in this case and also we would appreciate a copy of the police or court record. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

I am sure you realize that this leaves Pack 412 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Paul I. Ernst, Executive
