Dear Paul:

We are transmitting with this letter the Confidential Record Sheet and supporting information of Mr. Charles O. Beck who we feel no longer qualifies for leadership in the Boy Scouts of America.

This man has been registered in the Central Ohio Council #441 as Scoutmaster of Troop 93, Delaware, Ohio.

During this past summer, he served as Summer Camp Chaplain in the Licking County Council #451 at Camp Falling Rock.

The evidence supporting our determination is a letter from the father of a Scout describing an incident which occurred at our summer camp in which the subject physically masturbated the Scout. I have verified that the incident took place and have confronted the subject with the nature of the charges. After a brief discussion, Mr. Beck admitted that the incident did happen as described in the attached letter from the Scout's father.

My action was to present Mr. Beck with the prescribed letter of termination, a copy of which is enclosed. Due to the absence of our officers at the time, I found it necessary to sign the letter myself.

The additional items enclosed are a specimen of his signature, a photograph of the subject, and a written narrative of the incident.

If we can be of further assistance in this matter, please advise.

Sincerely,

Glenn E. Alexander
Scout Executive

ATTACHMENT TO:
Confidential Record Sheet
Mr. Charles O. Beck

Mr. Charles O. Beck was employed on our Summer Camp Staff as Chaplain and Archery Instructor for the 1977 season.

We employed Mr. Beck after he was interviewed by our Local Church & Synagogue Committee on Scouting.

It was felt by those to whom Mr. Beck reported during camp that he satisfactorily discharged his assigned duties. However, after the season had ended, we were alerted to a possible morals infraction by Mr. Beck involving Scout [REDACTED] of our Troop 4.

It seems that while on an archery "high adventure" overnight during the troop's week at camp, Mr. Beck shared a tent with Scout [REDACTED]. During the night he reached across the tent and fondled (masturbated) the Scout.

Subsequent interviews with the father of the Scout and the Scout-master have verified the charge.

I called Mr. Beck into my office on October 7, 1977, and confronted him with the charge. After an emotional discussion, Mr. Beck admitted that he had in fact done as was described in the father's letter.

During the discussion, Mr. Beck stated that he had been active in the "Gay Lib" movement during some period in his past. He said that he has been "saved" for Christ and that now causes him personal conflicts between his moral actions and his newly adopted scale of Christian values. Mr. Beck stated that he is undergoing psychiatric therapy to relieve his problem. He assured me that no other incidents occurred during camp, but I do not believe him.

Glen.

As I discussed with you, I am now putting in writing the incident that occurred between Chuck Beck and my son this past summer.

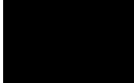

The incident occurred while they were tenting together on an Ashby Overnighter.

It seems that Chuck entered into a discussion of sex with my son and that he masturbated my son - [REDACTED] told him to stop and Chuck did.

I found out about the incident when I discovered a letter from Chuck to [REDACTED] and [REDACTED] let me read the letter. I questioned

CONF007792

DYKES_I_005663

 about the letter and he related the incident to me.

I saw Chuck at the Cross Court and discussed the issue with him and he readily admitted it. I told him I would take no legal action at this time because Chuck told me that he recognized his problem and was trying to overcome it.

I believe that this is a true description of the incident and will leave any further action to your capable hands

Yours

Dear Mr. Beck:

After careful review, we have decided that your registration with the Boy Scouts of America should be terminated. We are therefore compelled to request that you sever any relations that you may have with Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Glenn E. Alexander
