TO: Director of Registration and Subscription Service

FROM: Larry Johnson, Field Director

SUBJECT: William Holdsworth
73458 Old Dale Road
Twenty Nine Palms, CA 92277

At approximately 5:00 PM on July 10, 1980, John Walters, District Commissioner for Joshua Monument, and Larry Johnson, Field Director, California Inland Empire Council, delivered a letter (appendix B) to William Holdsworth.

I introduced myself as a Field Director with the council and said I had a letter to present to him from the Council President.

Holdsworth said he did not understand why he was receiving the letter. I stated that it concerned the investigation being carried on by the Sheriff's Department, and that we feel his moral life does not meet the requirements for leading a Boy Scout Troop.

Holdsworth said he was still not aware of what it was all about. He was told to check with the Sheriff's Office and maybe they could shed some light on it.

He was again informed that he was not to take part in any Scouting activities. About this time his wife came in the front door.

I asked him about a Court of Honor for the troop that was scheduled for Friday, July 11, 1980, and he informed me that it was set up and everybody was prepared for it. At that time I asked John Walters if he would be able to take over the leadership of the meeting tonight. John said he would be able to attend the meeting and at that time again reminded Holdsworth that he was not to take part in any scouting functions. Then we left.
