Re: James Farrell Lubank and  
Henry Italo Ciotti

Attention: Dale E. Chronic, Assistant Scout Executive

Dear Joe:

Thank you for your letter of June 10, 1969 and the enclosed correspondence and confidential record sheets concerning Mr. James H. Lubank and Mr. Henry E. Ciotti. We have placed this information in our file and have taken steps to have their names deleted from our records.

This information will enable us to identify both Mr. Lubank and Mr. Ciotti, should they ever again attempt to register in the Scouting program.

I am sure you realize that his leaves Troop 1034 without any registered unit leader to replace Mr. James Lubank. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise the office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Howard Boyd, Director  
Registration and Fulfillment Service

Dear Howard:

I am enclosing 2 confidential reports on individuals that we have determined should not be registered in the Boy Scouts of America. I believe that both reports are self-explanatory and cover all of the necessary information that is needed to remove them from the lists.

There has been a time lag between the time of incident and the report to you, but they had been effectively removed from any Scouting activity at the time the information came to us.

If you need any further information, please let me know.

Sincerely,

DALE E. CHRONIC  
Assistant Scout Executive

Atten: Mr. Billie W. Taylor  
Personal & Confidential

Dear Mr. Taylor,

On 29 March 1969 two members of the Committee of Troop 1034 met with Mr. James Eubank, Scoutmaster, to discuss his homosexual behavior with some of the boys in the troop. Mr. Eubank readily admitted to this "improper conduct" and resigned as Scoutmaster effective immediately.

We recommend that Mr. Eubank's name be placed on the Confidential list of the Boy Scouts of America. The committee further feels that since Mr. Eubank is taking treatment for his problem, every opportunity should be extended for his return to scouting at some future date if complete rehabilitation can be exhibited.

Sincerely,  
Troop 1034
