Re: George J. Kirksey

Dear Mr. Molder:

We have received the confidential record sheet concerning George J. Kirksey.

You will recall that I wrote you on October 21, after originally receiving your request to place this man on the Confidential File, asking for more information. The statement which you have placed at the bottom of the record sheet, "Report of two mothers that he had molested their Scout sons sexually" is not sufficient for me to refuse this man registration, if he should try to register in another unit. Can you obtain a signed statement from each of these two mothers concerning the molesting?

Sincerely,

Earl L. Krall, Director

Attention: Mr. Brooks Lovelace
Dist. Scout Executive

Dear Mr. Lovelace:

I would like to call your attention to a matter that is of utmost importance to the well being of our young boys engaged in scouting in our area.

There is one man, namely Mr. George J. Kirksey, who lives on Kirksey Road, RFD address in our county whom should be now and forever be forbidden to associate with any young boys.

I am a mother who speaks from experience with the knowledge that this man is mentally unbalanced in what we call our "social society" as far as his main reason for being with boys this age.

What I am trying to say, that at his hands my son was introduced at the age of 12 to homosexual activities, and upon investigation on my part I found that due to his overtures to other boys in our troop they quit coming to the meetings.

Should you desire other names of those involved I will contact them and ask that they write to you giving their children's experiences with this man.

Yours truly,

(Mrs) [REDACTED]
