Hello Paul,

We have accepted your decision that Charles E. White of Troop 196 should not be registered with the Boy Scouts of America. However, the head of the institution would like a more definitive reason. I would appreciate your advice, or all the information you are able to divulge on this matter.

Also, we have a situation that we may not want a Scouter to be registered, and an unregistered leader not to be registered. Is there a form for submitting this information? I await your reply.

Aloha,

PERSONAL AND CONFIDENTIAL

Dear Arnold:

It is always good to hear from you although I wish it did not involve confidential file matters.

You asked for more information concerning Charles E. White and why he was placed on the confidential file in 1978.

According to our records he lived in South Carolina at the time and was involved in some relationships with youth which were not acceptable. When he was approached concerning this by the council officers, he indicated that he was expecting a visit and that he would drop out of Scouting.

Please use the information I have given judiciously. If I can be of further help, I will try to answer your questions, but we do not have much else in our files concerning this. If you have some other individual who should not be registered, then we would like as much information as you may have, including a confidential record sheet, which helps us to identify the individual. I am sending you a couple of confidential record sheets for your use. The more information we have, the better we are able to identify the individual at a later date and refuse registration.

I would certainly suggest that you keep the council president and the council attorney involved in any situation where there are individuals who you suspect should not be registered. They can be a great support to you and make certain that the volunteers are behind your decisions.

Sincerely,

Paul I. Ernst, Director

I, [REDACTED] let my son
[REDACTED] go on a Camping trip
on the weekend of Nov. 4 and 5 to
Camp Old Indian with a group of scout
and scoutmasters and on the trip he
was molested by one of the Scout
masters named Charles White. Mr White
performed Homo-Sexual acts on my
son and I feel like he should be
taken off of any further scouting
activities any where or any time. I
think this was a cruel act to do to
a 12 year old. This has hurt my
son more mentally than anything else
he is scared to get out and play or
go to school. A man like this to
me, must be sick in the mind to
do this to a child. And if it wasn't
for hurting my son more, I would see
Mr White, hke to the barn door. I
was in the Scouts when I was growing
up and I loved every minute of it. And
I want my two sons to feel the same
It is ~~truly~~ truly a shame or man like
this should tarnish the name of
The Boy Scouts of America. Yours Truly
